Goose Island 2019 Bourbon County Stout – 45.00

Aged in a mix of Heaven Hill, Buffalo Trace, and Wild Turkey barrels, yields a rich, complex mouthfeel. Flavors of cocoa, fudge, vanilla, caramel, almond, plus leather and tobacco, permeate this beer and deepen with each sip.

Goose Island 2019 Bourbon County Mon Chéri – 50.00

Mon Chéri is made with Balaton and Montmorency cherries, oats, and a dash of brown sugar. The interplay of these ingredients creates aromas of amaretto and almond. With each sip you'll instantly be reminded of cherry cobbler.

Goose Island 2019 Bourbon County Wheatwine – 50.00

Aged 100% in Larceny wheated bourbon casks from our partners at Heaven Hill. The result is a softer flavor profile, full of caramel, vanilla, butterscotch, and toffee flavors, all while carrying the nuances of Larceny bourbon barrels.

Goose Island 2019 Bourbon County Café de Olla – 55.00

Intelligentsia coffee beans and cold brew coffee to Original Bourbon County Stout and then enhanced this beer further through additions of cassia bark, orange peel, and panela sugar.

Goose Island 2020 Bourbon County Birthday Stout – 60.00

We partnered with the Old Forester Brand and paired Bourbon County Stout with barrels from one of the world's most sought-after bourbons – Old Forester Birthday Bourbon.

Goose Island 2020 Bourbon County Special #4 – 55.00

After barrel aging, Intelligentsia Coffee is added, both their cold coffee and single origin coffee beans from Ethiopia, called "Metad Buku," bringing out a pleasant fruity coffee character. Lastly bourbon barrel-aged maple syrup from Bissell Maple Farm in Ohio.

Goose Island 2021 Bourbon County Stout – 36.00

Our rich imperial stout is blended from a mix of bourbon barrels from distilleries such as Heaven Hill, Wild Turkey, and Buffalo Trace, each aged in freshly emptied bourbon barrels for 8-14 months. Expect flavors of chocolate and vanilla, oak, whiskey, and molasses, followed by caramel, berry fruit, and almond.

Goose Island 2021 Bourbon County Cola – 42.00

Pushing the boundaries of barrel-aged stouts is in our DNA, and with that, we brought to life our first-ever cola-inspired variant. Brewers Paul Cade and Jason Krasowski bonded over their love for classic cola while creating the Classic Cola Stout. Combining the refreshing nature of classic cola and picking up the flavor profile from a whisky cola, we added lime and orange juice and zest, plus coriander, cassia bark, nutmeg, brown sugar, and vanilla to bring out the complex characters of the classic drink.

Goose Island 2021 Proprietors – 48.00

Proprietor's Bourbon County Stout is inspired by a classic frozen treat and brewed again by the mastermind, Emily Kosmal. Proprietor's Bourbon County Stout is aged in bourbon barrels and blended with luscious strawberries, vanilla and coconut, reminiscent of a classic strawberry ice cream bar. These elements come together to create the indelible flavors of decadent shortcake, layered with vanilla and topped off with the slight fruitiness of strawberries, similar to the ice cream bar's strawberry core

Goose Island 2021 Blantons – 65.00

We partnered with Blanton's and aged our Imperial Stout for 18 months in barrels from one of the world's most sought-after bourbons—Blanton's Original Single Barrel Bourbon. Taken from the center-cut or middle sections of the famous Warehouse H, Blanton's Original Single Barrel was once only available for ambassadors, dignitaries, and friends of the Blanton family, but now is available for everyone to enjoy.

Goose Island 2021 Double Barrel – 70.00

Our Double Barrel Toasted Barrel Stout was aged for one year in Elijah Craig's Small Batch Bourbon Barrels, then another year in Elijah Craig Toasted Bourbon Barrels. In addition to the familiar chocolate, caramel, and vanilla comes flavors of toasted marshmallow and a very pronounced fruit and oak finish.

Goose Island 150 Reserve – 65.00

Our Bourbon County Reserve 150 Stout is aged for one year in Old Forester's 150th Anniversary Bourbon Barrels. Expect barrel-forward flavor with notes of chocolate, vanilla, and coconut, followed with molasses, almond, berry, and oak.

Goose Island Cherrywood–36.00

This year, we took wood complexities to another level by doing something we've never done before: we took fully-matured Bourbon County Stout and finished it with toasted fruitwood—specifically, honeycomb-shaped cherry wood chips. The versatility of the cherry wood and honeycomb shape allowed for maximum flavor extraction, revealing complex characteristics like red fruit, ripe cherry, and light toffee, which are not found in the original oak barrel itself. The result is an amazing elevation and a notable difference from our Original Bourbon County Stout..

Goose Island 14 – 41.00

For the first time ever, we're digging into the Proprietor's (Chicago-only release) vault and bringing back a fan favorite with Bourbon County Fourteen Stout. But this time, it's with a twist. We're paying homage to the popular Proprietor's 2014 recipe, but upping the rye ante by adding rye to the mash bill. Layering cassia bark, cocoa nibs, panela sugar, and coconut water, this stout has an intricate, sweet and spicy flavor profile that will have fans going back sip after sip
