

Welcome to Jake Melnick's Corner Tap! We look forward to providing you with an outstanding dine-in and carryout experience. Please note, in alignment with our already high standards of service, we have implemented additional best practices for the safety of our employees and guests. Table spacing, guest capacity, and additional health and safety measures will reflect guidelines provided by the [CDC](#), [City of Chicago](#), and [Illinois Restaurant Association](#). Actions include, but are not limited to:

- All guests must wear a mask upon entry and exit, while ordering food or conversing with a server, as well as when leaving the table to walk to the restroom. Guests may remove their mask only while eating and drinking.
- All guests 5 years and older are required to show proof of full vaccination when visiting us at Jake Melnick's. Acceptable forms of documentation of vaccination include: a clear photo of your vaccination record card, a CDC issued vaccination record card or an immunization record distributed by the jurisdiction where the vaccine was received.
- Please use the hand sanitizer provided upon entering the restaurant and keep a safe distance from others outside your party while waiting to be seated.
- Reservations are not required but are strongly encouraged.
- Physical menus will only be available upon request. We encourage guests to review the menu on our website ahead of their visit or to utilize the QR code available upon arrival.
- Contactless payment is available.
- All staff are required to wear a mask at all times, single-use gloves when handling and delivering plated food, as well as while setting and clearing tableware. All tableware will be delivered as guests are seated.
- All staff have been retrained on rigorous handwashing practices and will have their temperature checked upon clocking in for their shift.
- All surfaces including door handles, restrooms, host stands, POS terminals and tables will be cleaned and sanitized every 30 minutes and after guests finish their dining.

We thank you for your patience and compliance as we continue to work hard and provide you with a safe, comfortable, and memorable experience at Jake's!
